

# Text Message Example

Overview: Dave Ehlike sends his leads text messages when he receives a phone number from his funnel. He will contact them **Immediately** - given the time of day.

**Do not be scared to call!** Dave Highlights the importance of calling leads. If the home evaluation request comes in at a reasonable hour, send them the following text message before making a phone call.

## Text Message Content:

Hi there, this is \_\_\_\_\_ and I just noticed that you clicked through the property evaluation request! I'm excited to help you, but am with a client for the next 30min. Is there a time I can give you a call after that?

Thanks!

Hi there,

This is Elysse and I just noticed that you clicked through my property evaluation request! I'm so excited to help you. I'll be with a client for the next 30min, but would love to give you a call after that. Do you have a time that works best?

Thanks so much!
